## Student Life Centers

The Student Life and Leadership Development department is your starting point for getting connected with student organizations, clubs, volunteerism, and recreational events. Student Life also provides students with opportunities to develop leadership skills through the “Leadership ‘n’ Life” series and gain valuable experience in civic engagement through service learning, learning communities and volunteerism activities. Additionally, many of the programs cover topics and issues that may satisfy Communications or Humanities assignments. Each campus features group study areas, comfortable furniture, meeting rooms, television, and table games, and several feature table tennis and billiards. They are also your starting point for getting involved on campus through student government, activities and events, clubs and organizations, recreation and intramurals! Do you have a talent? Opportunities exist in drama, Brain Bowl, intramural and recreational tournaments, mathematics, music, photography and student leadership, as well as a number of intercollegiate athletic teams. Contact any campus Student Life office for more information: Deerwood Center, Norine Katich, Room G-1701, (904) 997-2795 or 2887; Downtown Campus, Clashous Witherspoon, Room C-101, (904) 633-8210; Kent Campus, Kelly Warren, Room G-149, (904) 381-3674; North Campus, Kerry Roth, Room E-235, (904) 766-6786; and South Campus, Walter Fitzpatrick, Room U-205, (904) 646-2272.

## Student Government Association

Florida State College at Jacksonville’s Student Government Association (SGA) is the official voice of the student body and the connection between students, faculty and College administration. Members sit on various College-wide committees, such as the student appeals committee, the curriculum committee and campus presidents’ governance councils. SGA members also have the opportunity to travel to district and state meetings, leadership retreats and conferences, gaining leadership development and life skills. Represented on each campus, SGA holds elections for vice president, senator and representatives during the fall term, and for president and an additional senator and representatives during the spring term. Tuition talent grants are often available for eligible students. Help make a difference on your campus! Contact any campus SGA President listed below or your Student Life office for more information.

## Dr. Dean Kohrs, “Hacking College”

Many college students have no idea how college “works” and so even less of an idea how to make college work for them. In steps Dr. Dean Kohrs, kicking off our Leadership ‘n’ Life series with Hacking College. Hacking College addresses what you need to master in college to thrive in a globalized world, why you—as a student—are a start-up company, the easiest route to the most valuable degrees, what to do when the system fails you and how to prevent that from happening, and more. Dr. Kohrs has a Ph.D in American Culture Studies from Bowling Green State University. He has taught at community colleges, liberal arts colleges and state research universities and spends most of his days as a national speaker and consultant addressing globalization, student and institutional success. **Sept. 20, South Campus Wilson Center; Sept. 21, 11am, North Campus E-235; Sept. 22, 11am, Downtown Campus Lobby, and 2pm, Deerwood Center TBA; and Sept. 23, 11am, Kent Campus E-104.**

Since then they have traveled internationally designing tango classes for all ages, from kindergarteners to primary and secondary schools and college and community groups. Their performance is both fun and educational, and they give a little bit of history, in both Spanish and English, with each dance number. The Chorale, Jazz Ensemble and Symphonic Band perform locally and throughout the Southeast, and the Jubilee Singers perform gospel music for area events. Students from any campus may participate in the many aspects of theatrical production as well. College-wide productions are full scale and allow participation for actors and stage hands in a community theater setting. # Gabriela Garcia Medina

Few spoken word artists can speak of Revolution and do it with style. Gabriela is one of them. Born in Russia to Cuban parents, she has seen the world through eyes most haven't. As an international spoken word artist and award winning poet, her poetry has taken her to places such as South Africa, Cuba, Brazil, Switzerland, and all over the United States. Her poetry ranges from topics as serious as the social injustices we all face to talking about her lingerie. Gabriela has been relentlessly touring colleges, festivals and churches since 2007. And now her words have found a permanent home on the walls of Eva Longoria's new restaurant "Besos" in Los Angeles. Most recent are her national commercials for Dove and Toyota which feature her poetry and performances. She is inspirational, educational and a performer you won't want to miss. **Nov. 15, 12:30pm, Kent Campus G-Stage; Nov. 17, 11am, North Campus E-235; and Nov. 18, Noon, South Campus Café, and 6pm, Downtown Campus Café.**

## Money Management

In this challenging economy, strong money management skills are essential. In this workshop, we will be discussing managing your banking accounts, having and creating a budget, managing and protecting your credit, paying for college, borrowing money responsibly, and protecting your identity. Free tools and resources will be provided that will help you with each of these topics. So before you spend that tax refund check this year, come hear how to use those funds to your advantage. February is a great time to start a new budgeting or savings plan for 2010. **Oct. 13, 10:30am and 7pm, Deerwood Center F-1600; Oct. 26, 11:15am, North Campus E-235; Nov. 2, 11am and 7pm, Kent Campus E-104.**

## Student Ambassadors

Florida State College at Jacksonville Student Ambassadors assist the College in recruitment and retention activities. Working through the Student Life offices at Downtown, Kent, North and South Campuses and through the Student Success offices at the Deerwood, Nassau and Martin Centers, they provide both new and returning students with the information they need to succeed. Ambassadors lead campus tours, are familiar with campus resources, assist with orientation and registration, participate in campus activities/student government, and assist in College marketing activities, among other activities. Tuition talent grants are available. For more information about becoming a Student Ambassador, contact the Student Learning Specialist/Student Ambassador advisor on your campus:

## Campus Voice

The Campus Voice is Florida State College at Jacksonville's student newspaper... planned by students, written by students, edited by students and designed by students.

How can you get involved? Write us a letter. Want to air your opinion? Send a letter to the editor; maybe you'll see it printed on the editorial page. Want to be more involved than that? Volunteer to write an article, cover a game, take pictures, draw a cartoon, or design a page. No experience is needed because we'll help you over the rough spots. All it takes is a word from you. Or better yet, compete for a job. The jobs range from editor to office manager. For most of them you'll need either a journalism course or newspaper experience. The pay ranges from scholarships to weekly wages and its great experience!

Call the newsroom at 633-8283 or drop by TCV newsroom at Downtown Campus, Room C-103. Can't make it by? Write the Campus Voice at 101 W. State Street, Jacksonville, FL. 32202. Or see the newspaper online at [www.campusvoiceonline.com](http://www.campusvoiceonline.com) or e-mail [campusvoice@fscj.edu](mailto:campusvoice@fscj.edu).
