TEDXFSCJ

TEDxFSCJ exists as a convener of conversations. Our mission is to place before the community the most important ideas possible and to help our audience, partners, and volunteers grow both personally and professionally. Each year, we hold our annual conference at FSCJ. In the spirit of “ideas worth spreading,” our conference features speakers from across multiple disciplines who embody a diversity of experience, perspective and voice. And each year, we host a series of informal salons that focus on the ideas that animate and inspire the people of Northeast Florida, from cutting-edge developments in technology and IT security to human rights, health care, and the visual and performing arts—to name but a few of the topics we’ve tackled. Join us as we explore the uncharted—together. To learn more, visit us at tedxfscj.com.

What is TEDx?

In the spirit of ideas worth spreading, TED has created a program called TEDx, a program of local, self-organized events that bring people together to share a TED-like experience. Our event is called TEDxFSCJ, where x = independently organized TED event. At our TEDxFSCJ event, live speakers will combine to spark deep discussion and connection in a small group. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized. Learn more about the TEDx program ted.com/about/programs-initiatives/tedx-program.
