Time Mirror

Her grandmother was an artist, her mother was an artist and Katherine Parker is carrying on the tradition. Based in St. Augustine, Parker is an award-winning professional painter and printmaker who has been exhibiting in fine art galleries and juried exhibitions for almost 30 years. Among her recent awards is First Place for Printmaking in *The Artist's Magazine's* all-media competition. This piece was featured in the February 1998 edition of *The Artist's Magazine*. How do you interpret *Time Mirror*?
