The Administrative & Professional Collaborative (APC) is the representative voice for the Administrative & Professional employees of FSCJ.

In an effort to build cohesiveness, awareness and collegiality, each month we put a “spotlight” on one of our members. November's Administrative & Professional Collaborative (APC) spotlight shines on Chris Lambert.

As FSCJ's new Vice President for Advancement and Executive Director of the Foundation, Chris leads a team of dedicated professionals who advance the institution's vision and mission through strategic fundraising, events and stewardship engagement activities.

Chris comes to FSCJ with more than 26 years of experience in higher education fundraising and wealth management. He also holds his Juris Doctor degree as well as his Certified Fundraising Executive Designation.

Chris has secured millions of dollars in donations for academic buildings, research projects and athletic programs across multiple

higher education institutions including at nearby Embry-Riddle Aeronautical University in Daytona Beach where he served as its interim VP for Philanthropy and Alumni Relations. He has also taught many undergraduate courses in law and finance courses both in-person and online.

Chris is passionate about making a positive impact on FSCJ and our community by empowering students and faculty to pursue their educational and professional aspirations.

Our spotlight shines on each campus/center at least once a year. Nominations for the spotlight may be directed to your campus representative or any officer. Learn more about APC on our website, <http://blogs.fscj.edu/apcollaborative>.
