## Student Life Centers

The Student Life and Leadership Development department is your starting point for getting connected with student organizations, clubs, volunteerism, and recreational events. Student Life also provides students with opportunities to develop leadership skills through the "Leadership 'n' Life" series and gain valuable experience in civic engagement through service learning, learning communities and volunteerism activities. Additionally, many of the programs cover topics and issues that may satisfy Communications or Humanities assignments. Each campus features group study areas, comfortable furniture, meeting rooms, television, and table games, and several feature table tennis and billiards. They are also your starting point for getting involved on campus through student government, activities and events, clubs and organizations, recreation and intramurals! Do you have a talent? Opportunities exist in drama, Brain Bowl, intramural and recreational tournaments, mathematics, music, photography and student leadership, as well as a number of intercollegiate athletic teams. Contact any campus Student Life office for more information:

# Austin "Walkin'" Cane

"Damn Fine Blues!" Original and classic delta blues featuring slide guitar and soulful vocals. A blues gumbo repertoire that can conjure up the ghosts of highway 61 & the Delta Blues experience. Austin "Walkin' Cane" is a blues singer, songwriter and slide guitarist that performs acoustic solo, duo and electric band sets. Walkin' Cane has traveled all over the world from New Orleans, Louisiana, to Belfort, France, and has acquired various blues/instrumentalist awards over the years. Austin walked for ten years with a cane due to an arterial venous malformation at birth. While performing on Bourbon Street in New Orleans, a homeless man called out "Hey Walkin' Cane, got some spare change for a brother?!" Austin took the jibe as his nickname. "Walkin' Cane's" latest CD, "Murder of a Blues Singer," was inspired by an after-hour dinner conversation with blues legend Robert Jr. Lockwood. "The stories were flowing like the grease off our plates." Subsequently the album is saturated in classic delta blues, as were the tales of Lockwood's stepfather, Robert Johnson.

## HEROES & HARD TIMES

### American History Through Song and Story

Sparky and Rhonda Rucker's program, *Heroes and Hard Times: American History Through Song and Story*, takes audiences on a journey that spans over three centuries of African American history, including slavery, the Underground Railroad, the Civil War, the birth of blues music, and the Civil Rights Movement. Each era is interspersed with stories and popular songs from the time period. They accompany themselves with finger picking and bottleneck blues guitar, blues harmonica, old-time banjo, piano, spoons, and bones. With more than forty years of performing, Sparky and Rhonda have performed at the Kennedy Center in Washington D.C. and the Smithsonian Folklife Festival as well as NPR's *On Point*, *Prairie Home Companion*, *Mountain Stage*, and *Morning Edition*. Their recording *Treasures & Tears* was nominated for a W.C. Handy Award, and their music is also included on the Grammy-nominated anthology *Singing Through the Hard Times*. The Ruckers were recently awarded the Howard "Louie Bluié" Armstrong Legacy Award. Their latest CD, *Let Freedom Ring*, includes several songs highlighting the struggle for freedom throughout America's past.

Through Mauricio's story, you'll learn to pay attention to your future by paying attention to your life, understand what it takes to truly learn about yourself, and use that information to find what you are truly passionate about. Through personal examples and life lessons, Mauricio Garcia provides insight into how to find that which truly represents your purpose in life. He's found his. (Mauricio will be presenting the *Find Your Purpose* program on Deerwood, Downtown, Kent and South Campuses and a Myers-Briggs program at North Campus.)

# Truman

When Gavin DeGraw and Maroon 5 look in their rear-view mirrors, they likely see TRUMAN. The sibling duo—Ben and Chad Truman—flashes blue-eyed soul that blends influences from R&B legend Stevie Wonder, pop icon John Mayer and jazzy crooner Michael Buble. Truman won the campus-wide Battle of the Bands two years in a row at Brigham Young University behind Ben's melodic hooks and Chad's mood-altering chords—gifts they partially inherited from father Dan Truman, keyboard player for the award-winning group Diamond Rio. With a sound BMI describes as "smooth" and "mature," the Truman show has played to audiences of more than 13,000, sharing the stage with such artists as Kelly Clarkson and Ryan Shupe & the Rubberband. Raised in Nashville, Tennessee, the brothers have embraced Music City's catchphrase, "It all begins with a song." When you listen, you discover Truman's music is all at once a classic. It is current, pop music renewed for the next generation.
