CALENDAR

Introduction

The 31st edition of the FJC Student Activities Calendar contains virtually a complete list of events taking place under the sponsorship of your Student Activities office as well as many other events sponsored by other departments.

You can attend most of these activities free-of-charge or be admitted at a sizeable discount.

The calendar also includes many of the deadlines you need to know about to keep academically abreast, plus plenty of room to insert your own notes and happenings!

Do you have a talent? Opportunities exist in music, drama, forensics, the Brain Bowl, photography, intramural and recreational tournaments, student organization leadership roles, as well as a number of intercollegiate athletic teams.
