CALENDAR

WINTER/SPRING 1989

INTRODUCTION

The 39th edition of the FCCJ Student Activities Calendar contains virtually a complete list of events taking place under the sponsorship of your Student Activities office as well as many other events sponsored by other departments.

You can attend most of these activities free of charge or at a sizable discount.

The calendar also includes many of the deadlines you need to know about to keep academically abreast, plus there is plenty of room to insert your own notes and happenings!

Student Activities also distributes weekly newsletters on campus and mails monthly newsletters to your home. These newsletters supplement the calendar by listing additions and changes to college-sponsored events.

Opportunities for participation exist in music, drama, forensics, mathematics, Brain Bowl, photography, intramurals, recreation and student organizations, as well as a number of intercollegiate athletic teams.
