The calendar also includes many of the deadlines you need to know about to keep academically abreast and includes plenty of room to insert your own notes and happenings! Students can also find the most up-to-date information about campus events in "Options," the student activities newsletter mailed directly to your home for your convenience.

Do you have a talent? Opportunities exist in drama, Brain Bowl, intramural and recreational tournaments, mathematics, music, photography, student leadership roles, as well as a number of intercollegiate athletic teams. Contact the student activities office on your campus for more information. We want you to get involved!

# STUDENT CLUBS & ORGANIZATIONS

One of the highlights of attending college is meeting new people. This can happen in your classes, in the cafeteria or by chance. One of the best ways to meet people is to join or form a student organization. Some of the people you meet could end up being lifelong friends.

Each campus hosts a unique variety of intercollegiate, special interest, academic and service organizations. The student activities office on your campus has a list of the current active organizations and the faculty/staff advisers.

New organizations can be formed easily. Chartering an organization involves obtaining a list of seven interested students and a faculty/staff adviser. Your campus student activities office will assist you with this process. Recognized student organizations are eligible for financial assistance from the College.

Meet new friends, pursue an interest, or fulfill a dream by getting involved with a student organization. Here are some clubs currently in existence:

- Adult High School Club
- Art Guild
- Band
- BCM (Baptist Campus Ministry)

**BRAIN BOWL TEAM**

Become a member of the 1992 FCCJ Brain Bowl team. Members are drawn from all campuses and compete in the disciplines of science, mathematics, humanities and social sciences. Five members are chosen through a series of competitions with each student receiving a scholarship. The 1991 FCCJ team represents the College in regional and state competitions. Applications and further information are available in your student activities office.

**THE EXPERIENCE**

FCCJ's student literary magazine is published once a year and contains work produced solely by students. Any currently enrolled student may submit literary work directly to Marilyn DeSimone at Kent Campus or through your campus student activities office. In addition to literary work, art and photography is also included.

Interested in being more involved in producing the magazine? Volunteer to serve on the editorial board. Interested students should contact Marilyn DeSimone at 387-8196 or B.J. Hausman at 387-8374.

**PERFORMING GROUPS**

Students with musical or dramatic talent might enjoy participating in one of FCCJ's performing groups.

The FCCJ Chorale Jazz Ensemble and Symphonic Band perform locally and throughout the southeast.

Students from any campus may participate in the many aspects of theatrical production. Collegewide productions are full scale and allow participation for actors and stage hands in a community theatre setting. Campus productions enable students to develop their talent through acting, directing, stagecraft and costuming.

Each spring the performing groups join forces to produce a musical. This past years production of *Brigadoon* brought rave reviews from the College and community alike.

**COMING WINTER TERM...**

The Miss FCCJ Pageant is a Miss America affiliated pageant. The reigning Miss FCCJ represents the College in the Miss Florida pageant. Applications will be available on campus in November for the pageant which will take place in the winter term. Contact Don Hughes at 646-2272 for additional information.

**Photography Competition** — Students may enter color or black and white photographs in any of five categories. "Best of Show" is a \$75.00 purchase award with plaques going to category winners. Entry forms are now available with the deadline in late February. Categories include portraiture, landscapes, action and special effects. Contact B.J. Hausman at 387-8374 for additional information.
