CALENDAR • WINTER '93

INTRODUCTION

The 47th edition of the FCCJ student activities calendar contains a broad array of events taking place under the sponsorship of your campus student activities office. You can attend most of these activities FREE of CHARGE or at a discount.

The calendar also includes many of the deadlines you need to know about to keep academically abreast and includes plenty of room to insert your own notes and happenings! In addition to the student activities calendar, the most up-to-date information about campus events can be obtained in *Options*, the student activities newsletter mailed directly to your home.

Do you have a talent? Opportunities exist in drama, Brain Bowl, intramural and recreational tournaments, mathematics, music, photography, student leadership roles, as well as a number of intercollegiate athletic teams. Contact the student activities office on your campus for more information. FCCJ's student activities offices want you to be involved!

INTRAMURALS

While each campus has its own variety of activities, there are certain ones which are common to all four campuses. During the winter term, league play will take place in basketball and softball leading up to the collegewide tournament. Campus events will choose the participants for collegewide tournaments in billiards, darts, tennis and arm wrestling. Dates are listed below. Check your campus for times. In addition to these tournaments, many other events occur on the campuses which are just for fun. Chip chop, indoor miniature golf, "Win-Lose or Draw" and "Balderdash" are but a few of the happenings planned.

WELLNESS

South and North campuses have fitness trails, and Kent has a fitness court. Shower facilities are available on each campus. Fully-equipped fitness centers are located on each campus and will help you maintain or improve your physical wellness.

Periodically, each campus will offer health screenings and various workshops on health and fitness-related issues. Each campus offers other ways in which students can enhance their personal well being. Check with the recreation coordinator on your campus for more details.

STUDENT CLUBS & ORGANIZATIONS

Each campus hosts a unique variety of intercollegiate, special interest, academic and service organizations. The composition of the organizations changes each semester as new students enter college. Below is a list of the current active organizations and the faculty/staff adviser.

New organizations can be formed easily. Chartering an organization is a simple process and involves obtaining a list of seven interested students and a faculty/staff adviser. Your campus student activities office will assist you with this process. Recognized student organizations are eligible for financial assistance from the College.

Meet new friends, pursue an interest or fulfill a dream by getting involved with a student organization. Find out more about FCCJ organizations by contacting the appropriate adviser.

PHI THETA KAPPA

Phi Theta Kappa (PTK) is a national honor society for community and junior colleges. To join PTK you must have completed at least 12 credit hours of study, maintained an overall GPA average of 3.0 and have earned at least a 3.5 during one term. Eligible candidates will receive a letter of invitation. Monthly meetings are held on each campus. For more information, call 381-3440.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA) represents the student body at the College. SGA is on each of the four campuses. Elections for president and senator are held during the winter term. Vice president, senator and representative elections are held during the fall term. The president and vice president are awarded talent grant tuition scholarships. Recent issues undertaken by the SGA include recycling and photo ID cards. The SGA also conducts blood drives, voter registration and other service and social activities. Students interested in becoming involved should contact any campus SGA office or student activities office.

STUDENT VOLUNTEER CENTERS

The campus student volunteer centers provide services to students by students. The centers were developed and designed by students. They are managed by campus based student volunteer coordinators. Each center has been designed to:

- educate students about the rewards of volunteerism and community service,
- register and recognized students who already donate their time in the many campus and community programs which utilize volunteers,
- list community service opportunities that exist on campus and in the Jacksonville community,
- publicize and promote community service to the FCCJ community, and
- develop incentives to encourage students to volunteer.

Each campus has a student volunteer coordinator who is responsible for developing and maintaining the activities generated through the centers.

Volunteer center bulletin boards, located in the student centers, are monitored by the volunteer coordinators and list volunteer opportunities. The boards will also periodically list the names of newly registered students and the agencies where they perform their service. Check the boards for current local and national articles about the value and rewards of community service.

COMMUNITY SERVICE/VOLUNTEERISM

Students, through the many student organizations at FCCJ, contribute to the overall welfare of the Jacksonville community. The Student Government Association regularly volunteers for blood drives, the Dorcas Drake Toy Drive, Special Olympics and the United Way, among others and Phi Theta Kappa, works many hours with children with spina bifida. Numerous other student organizations volunteer their time and expertise to assist with a variety of community projects.

FLORIDA'S OFFICE FOR CAMPUS VOLUNTEERS

FCCJ's student volunteer centers were developed with support and a seed grant from Florida's Office for Campus Volunteers (FOCV). The FOCV was founded in 1990 by college students and funded by the State Legislature to increase and promote collegiate involvement in community service. The FOCV has researched the rewards that students get for giving of their time and have identified many.

VOLUNTEERING...WHAT'S IN IT FOR ME?

- management skills
- leadership experience
- accomplishments
- networking
- recognition
- increase knowledge
- challenges
- community pride
- new skills
- a sense of purpose
- working to better the world
- personal growth
- cultural awareness
- self-satisfaction
- friendships and fun
- popularity

Many FCCJ faculty actively encourage students to perform community service, often rewarding students with extra credit. In today's competitive job market, community service activities listed on a résumé can often make the difference in a job search. Time is a precious resource that is distributed equally to each human being. The gift of your time will make a positive difference in our community and can be an important investment in your future!

If you already work with the scouts, teach Sunday School, man a hotline, coach a little league team, register people to vote or do something else for no monetary compensation, then you qualify as a volunteer. If you are interested in exploring opportunities, then you are a prospective volunteer. Register your volunteer activities or your desire to volunteer today. **Let's show Northeast Florida the positive impact that FCCJ students make in the community.**

Phil Wang describes his music as acoustic rock but is quick to note that it's not limited to that category. "I think my music is hard to describe accurately," says Wang. "I like to sing songs about people. Most of my songs relate to personal experiences, or they're about other people's personal experiences. The music doesn't usually come to me as much as the ideas do, and I perform the music around those ideas."

The Billys are Bill Melanson and Billy Jonas, songsmiths and multi-instrumentalists from Asheville, North Carolina. They met musically during an apocalyptic jam session, while performing with A&M recording artist David Wilcox at the 1990 "Black Mountain Festival."

Together, The Billys present original songs, stories and improvisations, coaxing musical sounds from whatever objects, persons or experiences they encounter. In both concert and workshop settings, audiences of all ages are invited to participate in a sonic celebration of humanity, creativity and community.

Marian Joy Ring, musician, singer and songwriter, spent eight years living in South America, collecting musical experiences and amassing a fortune in Latin American folklore and popular Brazilian music. Accompanying herself on guitar, she also learned to play the Brazilian viola caipira and the charango, an instrument of the Andean highlands. Marian's music, full of life and energy, is sung in three languages: English, Spanish and Portuguese.

THE EXPERIENCE

FCCJ's student literary magazine is published once a year and contains work produced solely by students. Any currently enrolled student may submit literary work directly to Marilyn DeSimone at Kent Campus or through campus student activities offices. In addition to literary work, art and photography is also included.

Interested in becoming more involved in producing the magazine? Volunteer to serve on the editorial board. Interested students should contact Marilyn DeSimone at 381-3496 or B.J. Hausman at 381-3674. Free copies of last year's magazine are still available in any campus student activities office.

Everything you wanted to know about commencement but didn't know who to ask...

Let's start with a few definitions:

Graduation—Completion of all requirements necessary for your academic program.

Commencement—The formal ceremony at which degrees or certificates are conferred; held at the end of each winter term. (Students graduating at the end of fall, spring or summer may participate in the next commencement ceremony.)

Honors—Graduating with an all-college cumulative GPA of 3.5-3.74*.

High Honors—Graduating with an all-college cumulative GPA of 3.75 or higher*.

Graduation Fee—\$10 payable at your campus business office once you have been cleared for graduation by the student records office. Keep your receipt to present to the bookstore for your cap and gown.

Rehearsal—Forget it, we don't have one.

*Since the annual commencement program is printed prior to the recording of grades for the winter term, it is necessary to identify honors graduates for the winter term, for commencement program purposes only, based upon their all-college cumulative GPA at the beginning of the winter term.

Now the basic facts:

When—College Credit-Friday, May 7 at 7:30 p.m.; Adult High School/ABE-Thursday, May 20 at 7:30 p.m. Information about when to report for the ceremony and how to confirm your attendance will be mailed to your home in early April.

Where—Civic Auditorium on Water Street

Who—Anyone may participate who has graduated at the end of spring, summer or fall term of 1992 or winter term of 1993.

Caps and Gowns—Available in your campus bookstore beginning April 12. (You need the receipt from paying the graduation fee.)

Graduation Announcements—Also available from the campus bookstore beginning April 12. Announcements are not required for admission to the auditorium.

Tickets—Not needed for admission to the auditorium, your family and friends are welcome to attend the ceremony free of charge.

Graduation Photos—Official photographers will photograph you as you cross the stage and a proof will be mailed to you. If you wish to purchase any photo, information will be included with the proof.
