Camping

Each campus has camping equipment (tents and lanterns) available for your use. (Refundable deposits are required.) Wellness

South and North campuses have fitness trails, and Kent Campus has a fitness court. Fully-equipped fitness centers with showers are located on each campus and will help you maintain or improve your physical wellness.

Periodically, each campus will offer health screening and various workshops on health and fitness related issues. Each campus offers other ways in which students can enhance their personal well being. Check with the recreation coordinator on your campus.

Intramurals

While each campus has its own variety of activities, there are certain activities which are common to all four campuses. These include the following.

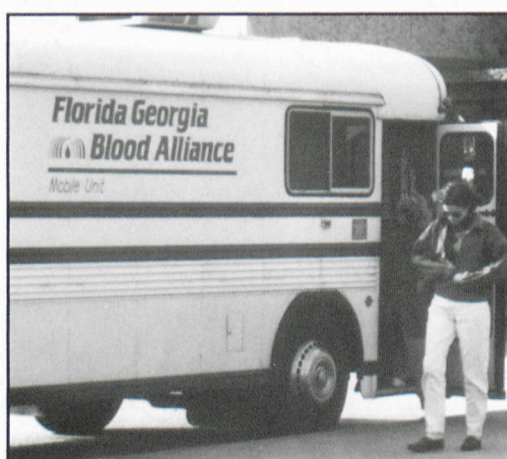

- | | | |
|------------------------|------------------|-------------|
| eight-ball (billiards) | table tennis | foosball |
| flag football | co-ed volleyball | bumper pool |
| chess | fun runs | darts |
| spades | basketball | |

Collegewide Tournaments

There are also Collegewide recreation opportunities which match campuses against each other. There are six events scheduled for the fall. Participants for these events qualify through campus tournaments.

- eight-ball (billiards)
- chess
- table tennis
- spades
- flag football
- co-ed volleyball

The "all sports" trophy is earned by the campus that collects the most points each term. Points are awarded for first, second, third and fourth place finishes. The traveling trophy is awarded at the end of fall and winter terms. Check in the recreation office for more information.

Campus blood drives provide an opportunity for students to help support a community need as well as being rewarded for donating.

Student Clubs and Organizations

Each campus hosts a unique variety of intercollegiate, special interest, academic and service organizations. The composition of the organizations changes each semester as new students enter college. Below is a list of the currently active organizations and the faculty/staff adviser.

New organizations can be formed easily. Chartering an organization is a simple process and involves obtaining a list of seven interested students and a faculty/staff adviser. A handbook is available in any campus student activities office that will assist you with this process. Recognized student organizations are eligible for financial assistance from the College.

Meet new friends, pursue an interest or fulfill a dream by getting involved with a student organization. Find out more about College organizations by contacting the appropriate adviser.

Community Service/Volunteerism

For their first year, the student volunteer centers registered more than 1,000 students and more than 14,000 hours of volunteer service. The hours donated represented a wide range of activities including planting trees, giving blood and donating time at churches, schools and hospitals, among others. The activities were as varied as the many students who benefited from giving something back to their community.

Many FCCJ faculty actively encourage students to perform community service, often rewarding extra credit for the extra effort. In today's extremely competitive job market, community service activities on a résumé can make the difference in a job search. Volunteering is an investment in your future and in the future well-being of your community.

Phi Theta Kappa (PTK)

four

Phi Theta Kappa is a national honor society for community and junior colleges. To join PTK you must have completed 12 credit hours of study, maintained an overall GPA average of 3.0 and have made a 3.5 GPA or higher during at least one term. Eligible candidates will receive a letter of invitation. Monthly meetings are held on each campus. For more information, call 381-3674 or 381-3440.

Student Government Association

The Student Government Association (SGA) serves as the official voice of the student body and as the connection between the student body, the faculty and the administration of the College. Each campus is represented by SGA, who addresses collegewide issues. Accomplishments of the SGA during 1992-93 include influencing the add/drop deadline, offering JTA bus tickets on campus, organizing blood drives, providing United Way support and numerous other services and social activities. The Board of Governors of the FCCJ Foundation added an SGA representative — for the first time — during 1992-93.

Elections for vice president, senators and representatives are held during the fall term. The president and a senator are elected during the winter term. Tuition talent grants are awarded to the president and vice president. Interested students should contact any campus SGA office or student activities office.

Volunteer Centers

FCCJ's student volunteer centers were created in 1992 with support and a seed grant from Florida's Office for Campus Volunteers (FOCV). The FOCV was founded in 1990 by college students and funded by the State Legislature to increase and promote collegiate involvement in community service.

If you already perform community service, then let us know about it! If you would like to contribute some time and expertise to your community but are not sure what you could do, then let us help you. Each campus has a student volunteer center and can inform you of the service opportunities available in the community. You can donate as little as one hour or choose to commit yourself for a longer period of time.

The FCCJ students who coordinate the volunteer programs work out of the student activities offices. Stop by and

introduce yourself and let them know about the great work you are already doing or have them assist you in finding a site where your donated time will make a difference. Each campus features volunteer opportunities on a centralized volunteer board.

The following volunteer opportunities are available during the fall term.

- campus volunteer fairs
- special olympics
- Channel 7 membership drive
- Thanksgiving baskets
- Cancer Society Duck Race (Nov. 6)
- Arts Mania (Oct. 1-3)
- Hunger and Homelessness Week (Nov. 15-19)
- Campus blood drives
- Phi Theta Kappa activities
- SHARE food program

Contact your volunteer coordinator to find out about the above programs or to discuss others interests you may have.

Performing Groups

Students with musical or dramatic talent might enjoy participating in one of FCCJ's performing groups.

The FCCJ Chorale, Jazz Ensemble and Symphonic Band perform locally and throughout the Southeast.

Students from any campus may participate in the many aspects of theatrical production. Collegewide productions are full scale and allow participation for actors and stage hands in a community theater setting.

Campus productions enable students to develop their talent through acting, directing, stagecraft and costuming.

Each spring the performing groups join forces to produce a musical. Last year's production of "Paint Your Wagon" brought rave reviews from the College and community alike.

FCCJ's student literary magazine is published once a year and contains work produced solely by students. Any currently enrolled student may submit literary work directly to Marilyn DeSimone at Kent Campus or through any campus student activities office. In addition to literary work, art and photography is also included.

Interested in being more involved in producing the magazine? Volunteer to serve on the editorial board. Interested students should contact Marilyn DeSimone at 381-3496 or B.J. Hausman at 381-3674. Copies of last year's magazine are still available in any campus student activities office.

The eighth Writers' Festival will be April 8-9, 1994 at Kent Campus. There are several writing competitions associated with the festival. For more information, contact Howard Denson at 766-6559.

12th Annual Collegewide Photography Competition

Students may enter color or black and white photographs in each of five categories. Best of Show is a \$75 purchase award with plaques going to category winners. Entry forms are now available with the deadline for entry Jan. 31, 1994. Categories include still life, portraiture, action, landscapes and special effects. Contact B.J. Hausman at 381-3674 for additional information or to receive information by mail. The photos will be displayed in the Kent Campus Gallery.

Forensics

The FCCJ Forensics Team will be holding auditions early in the Fall 1993 Term for students interested in public speaking competition. During the 1993-94 school year, the team will compete against other Florida community colleges in the following categories.

- group interpretation
- duo interpretation
- communication analysis
- persuasive speaking
- extemporaneous speaking
- informative speaking
- entertainment speaking
- impromptu speaking
- oral interpretation (prose, poetry, dramatic)

Students selected for the Collegewide team may be eligible for tuition talent grants. Interested students should contact S. Grant at 381-3634 (Kent Campus, Room A-234) or any student activities office for audition dates. College credit students who are in good academic standing and are enrolled in at least six credit hours are eligible to audition.

Ride the wild waves with the veterans on the Veterans Day fishing trip.

Using live music and verbal patter to accent the silent world of mime, Dr. Tom and Seus take their audiences into a fantastic environment where anything can happen. They shape their audience's moods from a very serious bent to something quite ridiculous in a matter of moments.

The Campus Voice

Florida Community College at Jacksonville

Everybody's welcome!

FCCJ's student newspaper, The Campus Voice, is an excellent forum to display your talents. Students who wish to be columnists, photographers, artists, cartoonists and reporters on a free-lance basis are encouraged to contact the editorial office at 633-0409. Assignments are based on your availability; therefore, scheduling is very flexible but dependability is a must.

The newspaper is published during the fall, winter and spring terms. The main office is located at the Downtown Campus with bureaus at other campuses coming in the near future.

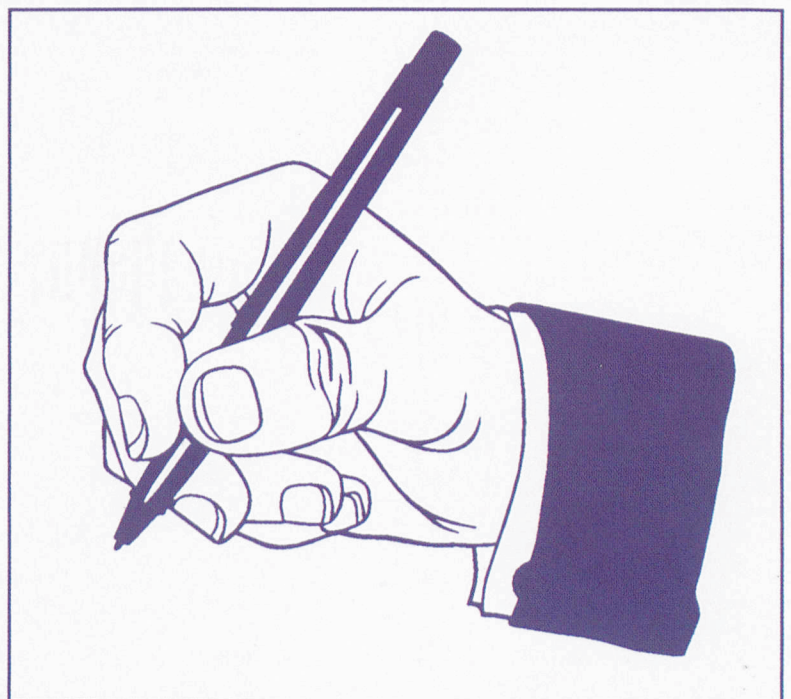

So you want to be a decision maker (editor)?

Editors decide the content of the newspaper. Students wishing to be editor-in-chief, managing, news, photo, copy, features, entertainment, sports or page editor should have completed or be currently enrolled in JOU 2100, Newspaper Reporting and Writing. Other positions are production manager and office manager. If appointed, students will receive a scholarship and/or hourly wage. Contact The Campus Voice adviser at 633-8157.

Students will have an opportunity to work on the most-up-to-date desktop publishing equipment and software and will gain valuable experience that will help secure future jobs.

Need to get something off your chest?

Letters to the editor are encouraged on topics of interest to the College community. Letters should be typewritten, signed and a telephone number included, although names may be withheld upon request.

Mail letters to the editor to:
