Florida Community  
College at Jacksonville

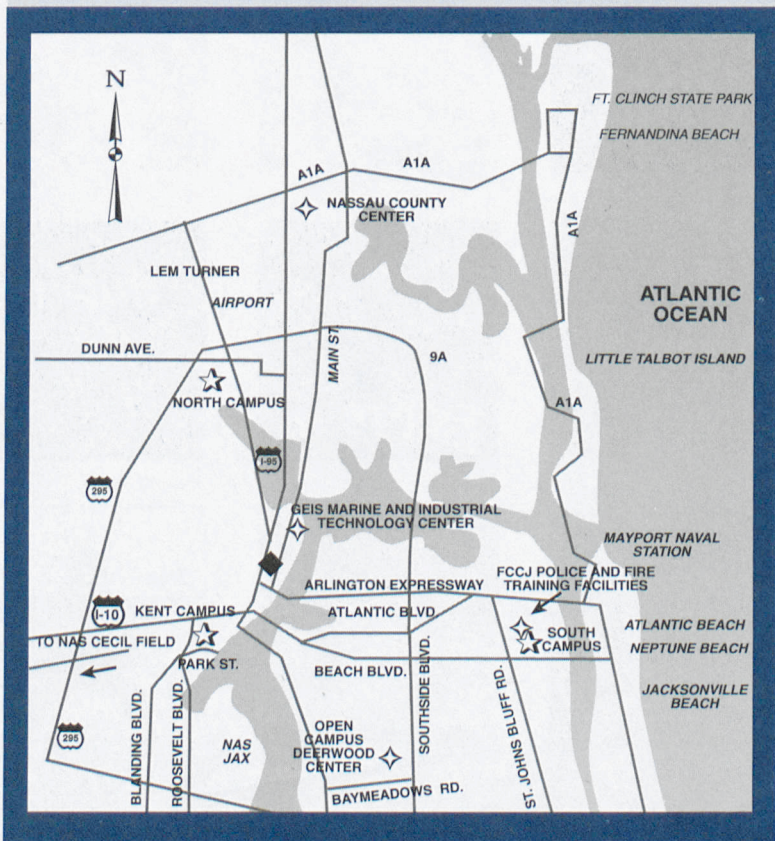

The 58th edition of the FCCJ Student Planner and Event Guide contains a broad array of events sponsored by the College's student activities department. FCCJ students may attend most of these activities FREE OF CHARGE or at a discount.

The calendar also includes many of the academic deadlines students need to know. There is also in the planner section to jot down notes and happenings. In addition to this calendar, the most up-to-date information about campus events can be obtained in Stargazer, the student activities newsletter mailed directly to students' homes.

Do you have talent? Opportunities exist in drama, Brain Bowl, intramural and recreational tournaments, mathematics, music, photography and student leadership, as well as a number of intercollegiate athletic teams. Contact any campus student activities office for more information.

## STUDENT GOVERNMENT ASSOCIATION

FCCJ's Student Government Association (SGA) is the official voice of the student body and the connection between students, faculty and College administration. Members also sit on various Collegewide committees, such as the student appeals committee, the curriculum committee and campus advisory councils. Represented on each campus, SGA holds elections for vice president, senator and representative during the fall term, and for president and an additional senator and representative during the winter term. Tuition talent grants are available to each campus SGA president and vice president. Help make a difference on your campus! Contact any campus SGA or student activities office for more information.

SGA is now on line! Want to know who the people are and what's happening with the SGA on your campus, but don't know where to go for information or can't attend a scheduled meeting? These questions and more can now be answered by tapping into the SGA Internet home page found through FCCJ's home page <<http://www.fccj.cc.fl.us>>. Click to "Individuals and Groups," then "Organizations and Clubs." Now you can be involved with what your campus and the other campuses are doing. Click into SGA and see what's up.

## SEPTEMBER FEST III

### PROSE AND POETRY EXPERTS TO SPEAK AT THE 3RD ANNUAL SEPTEMBER FEST FOR WRITERS.

The third annual September Fest for Writers will feature five sessions of expert advice from prose writers, poets, and editors. The event is scheduled for Friday, Sept. 18, at FCCJ's North Campus.

*Speakers will include the following:*

**GEORGE GILPATRICK**— This Orange Park poet focuses on his own writing, but also takes time to promote poetry readings and assist other First Coast aspiring poets. He has won prizes in contests sponsored by the Florida First Coast Writers' Festival and the International Institution of Elvisology and the Elvisian Era. He also edits and publishes scrap-books of others' poetry.

**FRANK GREEN**— This Jacksonville resident conducts writing workshops for the group he founded, the Bard Society. He runs the oldest continuously-offered workshop in northeast Florida. Besides speaking at the Cape May Writers' Conference and the Florida First Coast Writers' Festival, he has also edited many published manuscripts, acted as a ghost writer, and assisted businesses with their writing needs.

**WANDA KACHER**— This registered nurse has written two books, *My Friend Ben* and *Nautilus*. She earned her nurse degree from FCCJ and is employed by Genesis Rehabilitation Hospitals in pediatrics and rehab. Her medical background provides material for her writing and she will often base a story around a character with a disability or a serious disease.

**TOM LASHLEY**— Lashley, a native of Valdosta, Ga., lives in Mayo where he is the assistant principal for curriculum at Suwannee High School. He is the author of *Malevolence* (Sterling House), which is set in the forbidding peaks and valleys of the Appalachians. The book's protagonist, Dermont McCraney, is forced to confront a hideous secret from his past. The keeper of the secret is Boonie, a psychopathic killer who likes to conduct secret Druidical rituals.

**YVONNE WEST**— This Jacksonville resident is the author of two novels, *The Dolphin Pool* and *Rosemary for Remembrance*. She uses European settings frequently in her writings drawing upon her birth and childhood in Corsica when she and her American parents lived in the city.

Registration begins at 8 a.m. in the atrium of the Zeke Bryant Building. September Fest's five sessions will be free to FCCJ students and staff and to active members of the North Florida Writers Association. Others will pay only \$10 for the day (make checks payable to "NFW"). For more information contact Howard Denson at 766-6559.

## ALL ABOUT US

The *Campus Voice* is FCCJ's student newspaper. It is planned by students, written by students, edited by students and designed by students.

*The paper serves two major roles:*

- It provides a news and opinion forum for the entire College community.
- It serves as a training ground where students interested in writing can gain real-world experience.

## BE PART OF THE PAPER

No matter what your interest or experience, you are welcome at the *Campus Voice*.

*There are three ways to participate.*

- Write us a letter. Irritated by something you read? Want to air your views? Send a letter to the editor. Maybe you'll see it printed on the editorial page.
- Volunteer for an assignment. Want to write an article? Cover a game? Take pictures? Draw a cartoon? Design a page? No experience is needed because we'll help you over the rough spots. All it takes is a word from you.
- Compete for a job. The jobs range from editor to office manager. For most of them you'll need either a journalism course or newspaper experience. The pay ranges from talent grants to weekly wages. It's great experience!

## PERFORMING GROUPS

Students with musical or dramatic talent might enjoy participating in one of FCCJ's performing groups.

The FCCJ Chorale, Jazz Ensemble and Symphonic Band perform locally and throughout the Southeast. The Jubilee Singers perform gospel music and the Galaxy Girls Dance Ensemble are featured at the halftime of many College athletic events.

Students from any campus may participate in the many aspects of theatrical production. Collegewide productions are full scale and allow participation for actors and stage hands in a community theater setting. Campus productions enable students to develop their talent through acting, directing, stagecraft and costuming.
