Student Government Association

FCCJ's Student Government Association (SGA) is the official voice of the student body and the connection between students, faculty and College administration. Members sit on various Collegewide committees, such as the student appeals committee, the curriculum committee and campus presidents' governance councils. SGA members also have the opportunity to travel to district and state meetings, leadership retreats and conferences, gaining leadership development and life skills.

Represented on each campus, SGA holds elections for vice president, senator and representatives during the fall term, and for president and an additional senator and representatives during the spring term. Tuition talent grants are available to each campus SGA president and vice president. Help make a difference on your campus! Contact any campus SGA office (listed below) or Student Activities office for more information.

Get involved! FCCJ is home to a variety of intercollegiate social, academic, service and occupational organizations. Each campus has its own special blend of clubs with several reaching all campuses. Check the list here, contact the appropriate advisor and find out how you can get involved! Don't see an organization you may be interested in? Start your own! Chartering an organization can be as simple as obtaining a list of at least seven interested students and a faculty/staff advisor. Student Activities offers a "Starter Kit" to help you get your club up and running.

Phi Theta Kappa

The international honor society for two-year colleges, Phi Theta Kappa can give you an edge far beyond your classes here at FCCJ. Each year, PTK participates in a wide variety of academic, social and service activities, allowing you to gain experience outside of the classroom. To join PTK, you must have completed a minimum of 12 credit hours, maintain an overall GPA of at least 3.0, and have made a GPA of 3.25 or higher during at least one term. For more information, contact the Phi Theta Kappa office at 381-3440.

The FCCJ Forensics Team shows off some hardware.

Motivational humorist Wilbur Houston kicks off the Fall term Leadership 'n' Life Series

Leadership 'n' Life

Get a leg up on your classmates and fellow job seekers by participating in our "Slice of Leadership and Life Series" workshops! Leadership skills are life skills, and you don't have to be an SGA President to be a leader. You can be a leader at school, at home, in your church or in the local PTA. Each campus offers a series of leadership workshops that cover topics like self discovery through learning your "True Colors", motivation, conflict resolution, goal setting and time management.

Kicking off the Fall term is motivational humorist Wilbur Houston. From serving as a bus boy at a ritzy country club as a teenager to flipping burgers at a fast food restaurant to working in hotel sales to traveling the world as a motivational speaker, Mr. Houston's life story will inspire you to put your best food forward, for all it takes is "ability and effort". Meet Mr. Houston Sept. 10 at 11am in NC C-136; Sept. 11 at 10am in SC B-204; and Sept. 12 at 11am in DC A-1068 and at 12:30pm in KC F-128.

Check the collegewide activities calendar or call your campus activities office to find out when you can grab a slice of leadership and life, and maybe even a slice of pizza, on your campus.

Campus Voice

The Campus Voice is FCCJ's student newspaper... planned by students, written by students, edited by students and designed by students.

How can you get involved? Write us a letter. Want to air your opinion? Send a letter to the editor; maybe you'll see it printed on the editorial page. More involved than that? Volunteer to write an article, cover a game, take pictures, draw a cartoon, or design a page. No experience is needed because we'll help you over the rough spots. All it takes is a word from you. Or better yet, compete for a job. The jobs range from editor to office manager. For most of them you'll need either a journalism course or newspaper experience. The pay ranges from talent grants to weekly wages, and it's great experience!

Call the newsroom at 633-8409 or the advisor, Robert Blade, at 633-8157, or drop by Downtown Campus, Room 1057. Can't make it by? Write The Campus Voice at 101 W. State Street, Jacksonville, FL 32202, or see them on the web at www.fccj.edu; e-mail campusvoice@students.fccj.edu.

The Day

Singer/songwriter Donn Thompson-Fisher had an upbringing punctuated by music. She is the daughter of the lead singer of the group Lee Andrews and the Hearts and the little sister of the drummer of MCA Records hip-hop group The Roots. While she sang back up for her dad's retro group, she developed a style all her own. When she paired up with Wes Mingus, they developed The Day with a sound they call visionary acoustic soul, a melting pot of jazz, R&B, acoustic folk, and spoken word poetry. Though the duo draws upon an eclectic mix of influences, it keeps things radio friendly while not easing into formula. Their live shows are an intoxicating blend of lyrical poetry and languid melodies with smooth sultry movements.

Catch their show live Sept. 17 at 10:30am on the SC Outside Stage and at 12:30pm on the KC G-Stage; Sept 18 at 11am in NC C-136; and Sept. 19 at 11am in the DC Cafe.

Hit the Road with Student Activities!

With 8,500 miles of tidal shoreline, 7,800 lakes, 320 springs and 35 rivers, water defines Florida. This peninsula is an environmentally diverse water park of surprises, with ancient wetlands, tropical islands, crystal-clear bubbling springs and fast-flowing rivers. Florida is blessed with some of the top-rated beaches in the country, along with a pristine backcountry that hasn't changed much since Ponce de Leon first explored the "Land of Flowers" for the fountain of youth. This semester we invite you to come along with Student Activities as we partake in some of what Florida has to offer. For more information or to reserve your spot, contact Randy Eleuteri at 646-2274.

Ginnie Springs, October 5

By far, Ginnie Springs' greatest attraction is its natural beauty. The park comprises over 200 acres of pristine forest and pastureland, nestled along the south bank of the Santa Fe River. Have a day of fun and relaxation as you explore and enjoy the seven crystal-clear, freshwater springs while tubing along the Santa Fe River. Cost is \$20 and reservations must be made by Sept. 25.

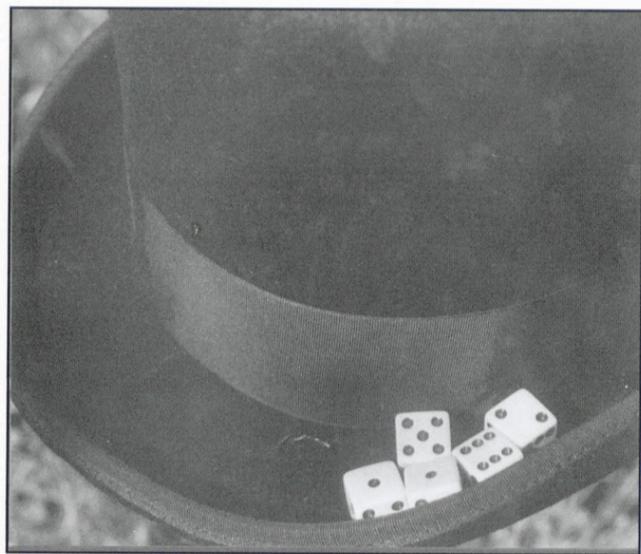

Key West, November 29-December 1

Next stop is the home of North America's only living coral reef and a tremendous variety of sunken ships as we travel to the Florida Keys. This is a great opportunity for scuba and snorkel enthusiasts. Since the very beginning of the recreational dive industry, the Florida Keys have been revered as one of the world's most popular dive destinations. The reasons why are as myriad and diverse as the fish on their reefs.

If you prefer to stay dry you can witness history as The Key West Historic Seaport is transformed into a pirates' stronghold with tall ship sea battles and a Thieves Market, featuring arts and crafts, sunset pirate sails, a living history encampment and nonstop entertainment. Cost is \$170 and reservations must be made by November 13.

Wings Over Florida

December 2002 marks the 100th anniversary of flight. In honor of this milestone, Thomas Reilly and Lynn Homan present "Wings Over Florida". Florida has been the site of more aviation "firsts" than any other state. The first night flight in an airplane was made by Lincoln Beachey in Tampa in 1911; Tony Jannus and crew inaugurated the St. Petersburg-Tampa Airboat Line, the world's first airline, in 1914; guided missiles were tested at Arcadia in 1919; Bessie Coleman, the first African American licensed pilot, died tragically at Jacksonville in 1926. Florida-founded Pan Am, Eastern, Air Florida and National Airlines all played a role in the state's development as a tourist destination. Come along with Lynn and Thomas on this journey into Florida's rich aviation history: Dec. 3 at 9:30am in NC C-136 and Dec. 4 at 9am in DC A-1068 and at 12:30pm in KC F-128.

FCCJ Performing Groups

Students with musical or dramatic talent might enjoy participating in one of FCCJ's performing groups. The FCCJ Chorale, Jazz Ensemble and Symphonic Band perform locally and throughout the Southeast. The Jubilee Singers perform gospel music, and the Galaxy Girls Dance Ensemble are featured at the half-time of many College athletic events.

Students from any campus may participate in the many aspects of theatrical production as well. Collegewide productions are full scale and allow participation for actors and stage hands in a community theater setting. Campus productions enable students to develop their talent through acting, directing, stagecraft and costuming. Contact the appropriate person below for your particular interest.

The Experience

FCCJ's Collegewide student literary/art magazine is published once a year and contains original works of FCCJ students. Short stories, poetry, short plays and short fiction or non-fiction works will be considered for publication beginning in January 2003. Winners of the Collegewide student photography competition and Collegewide student art annual may also submit their work. Interested in being more involved in producing the magazine? Volunteer to serve on the editorial board! To submit work or find out more about serving on the board, contact Marilyn DeSimone at 381-3496 or Kathleen Ciez-Volz at 381-3405. Copies of the 2002 Experience are available in any Student Activities office.
