# Leadership ‘n’ Life

Get a leg up on your classmates and fellow job seekers by participating in our “Slice of Leadership and Life Series” workshops! Leadership skills are life skills - you don't have to be an SGA President to be a leader. You can be a leader at school, at home, in your church or in the local Parent Teachers Association. Each campus offers a series of leadership workshops that cover topics like self discovery through learning your “True Colors,” motivation, conflict resolution, goal setting and time management. Check the college-wide activities calendar and look for “L’n’L” workshops or call your campus activities office to find out when you can grab a slice of leadership and life on your campus.

# Student Government Association

FCCJ's Student Government Association (SGA) is the official voice of the student body and the connection between students, faculty and College Administration. Members sit on various College-wide committees, such as the student appeals committee, the curriculum committee and campus presidents' governance councils. SGA members also have the opportunity to travel to district and state meetings, leadership retreats and conferences, gaining leadership development and life skills.

Represented on each campus, SGA holds elections for vice president, senator and representatives during the fall term and for president and an additional senator and representatives during the spring term. Tuition talent grants are available to each

campus SGA president and vice president. Help make a difference on your campus! Contact any campus SGA President (listed below) or Student Activities office for more information.

## Campus Voice

The Campus Voice is FCCJ's student newspaper...planned by students, written by students, edited by students and designed by students.

How can you get involved? Write us a letter. Want to air your opinion? Send a letter to the editor, maybe you'll see it printed on the editorial page. Want to become more involved than that? Volunteer to write an article, cover a game, take pictures, draw a cartoon, or design a page. No experience is needed because we'll help you over the rough spots. All it takes is a word from you. Or better yet, compete for a job. The jobs range from editor to office manager. For most of them you'll need either a journalism course or newspaper experience. The pay ranges from talent grants to weekly wages, and it's great experience!

Call the newsroom at 633-8409 or the advisor, Robert Blade at 633-8157, or drop by Downtown Campus, Room 1057. Can't make it by? Write The Campus Voice at 101 W. State Street, Jacksonville, FL 32202. Or see them on the web at [www.fccj.org](http://www.fccj.org); email [campusvoice@students.fccj.org](mailto:campusvoice@students.fccj.org).

## Phi Theta Kappa

The international honor society for community colleges, Phi Theta Kappa can give you an edge far beyond your classes here at FCCJ. Each Year, PTK participates in a wide variety of academic, social and service activities, allowing you to gain experience outside of the classroom. To join, you must have completed a minimum of 12 credit hours, maintain an overall GPA of at least 3.0 and have made a GPA of 3.25 or higher during at least one term. For more information, contact the Phi Theta Kappa office at 381-3440, KC G-150.
