STUDENT ACTIVITIES GUIDE AND PLANNER SPRING 2007

WELCOME TO STUDENT ACTIVITIES

Student Activities Centers

Student Activities is your starting point for getting connected with student organizations, clubs, volunteerism, and recreational events. Student Activities also provides students with opportunities to develop leadership skills through the "Leadership 'n' Life" series and gain valuable experience in civic engagement through service learning, learning communities and volunteerism activities. Additionally, many of the programs cover topics and issues that may satisfy Communications

or Humanities assignments. Each of the centers features group study areas, comfortable furniture, meeting rooms, table tennis, billiards, information on area camping and state parks, television, table games, and bus schedules. Do you have a talent? Opportunities exist in drama, Brain Bowl, intramural and recreational tournaments, mathematics, music, photography and student leadership, as well as a number of intercollegiate athletic teams. Contact any campus Student Activities office: Deerwood Center, Carol Gladstone, Room C-2328, (904) 997-2706; Downtown Campus, Clashous Witherspoon, Room C-101, (904) 633-8210; Kent Campus, Kelly Warren, Room G-149, (904) 381-3674; North Campus, Kerry Roth, Room E-235, (904) 766-6786; and South Campus, Walter Fitzpatrick, Room U-205, (904) 646-2272.

Davis and Dow

Billie Holiday, Peggy Lee, Ella Fitzgerald, Sarah Vaughan, Carmen McRae, Betty Carter. If these names mean nothing to you, then you are missing out on a supremely important part of our history, culture, and heritage.

Julie Davis and Kelly Dow introduce a new generation to this beautiful American art form called Jazz. Julie, a phenomenal vocalist, and Kelly, a world class guitarist, present a show called "Great Jazz Divas". It is a culturally educational and immensely entertaining musical show about these wonderful ladies of jazz, their lives and music. In addition to the fabulous live music, you will hear actual interviews with the writers, musicians, and the legendary ladies themselves. It's like meeting and singing along with history. For more information on the duo, visit www.davisanddow.com.

Trinidad Tripoli Steel Band

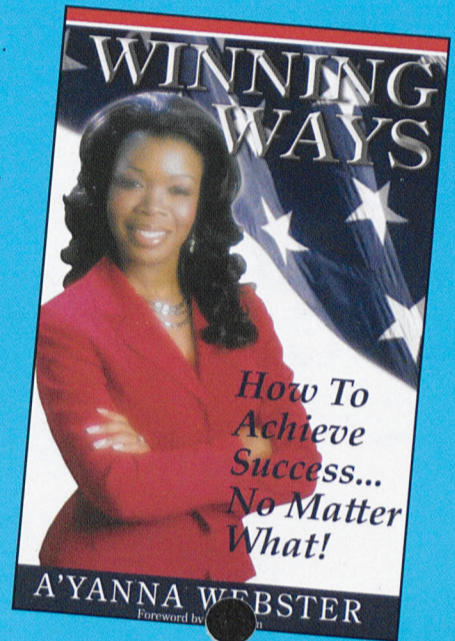

Warm up with a little steel and reggae! From Port-of-Spain, Trinidad, to a world tour, this amazing group of performers plays a repertoire of music that ranges from classical to rock and roll...on oil drums. This feat has astounded audiences not only because of its oil drums, but also because of the unbelievable fidelity and artistic accomplishments with which they render each concert or dance, whether it be modern, classical or their native reggae Calypso.

Leadership Series Kickoff--A'Yanna Webster: Winning from Within

A'Yanna Webster learned the importance of maximizing her own personal power as a result of adversities she faced as a young girl. Born to a young single mother, she grew up in a three-bedroom house with 13 other relatives. Surrounded by violence, drug and alcohol abuse, A'Yanna was determined to make a better future for herself. Despite this and other early challenges, she persevered to better herself through education and went on to pay her way through college by competing in the Miss America Pageant System. She's now the founder and president of WINNING WITHIN, an empowerment network dedicated to recognizing and maximizing the power in all people. An accomplished speaker, trainer, entrepreneur, and inspirational vocalist, she has a straight-forward, high-energy style of equipping audiences with the insight, tools, and practical applications necessary to unleash their full potential. She asserts that there is power within each of us that must be recognized and developed so that it can manifest itself as success in our daily lives. She holds a Bachelors of Communications in Radio TV Communication and a Masters of Public Affairs with an emphasis in Non-Profit Management and is currently pursuing a Doctorate of Organizational Leadership; she uses that education to help unleash the power within you.

Accompanying Sparky is his wife Rhonda, a versatile performer, playing blues harmonica, piano, banjo, and creating wonderful vocal harmonies. Al Letson's "The Griot"

"Griot: He Who Speaks the Sweet Word" follows the tradition of storytelling from the ancient Mali Empire to Hip-Hop America. Poetry, drama, movement, and music combine to create a theatrical experience that mines both the pathos and brilliance of black artistic creativity. This hip-hop choreopoematic play starts in pre-colonial West Africa and follows the word in its many manifestations, compressing over three centuries of culture into one hour. Griot was commissioned by the Baltimore Theatre Project where it made its debut February 2004. Written and performed by Al Letson, Larry Knight and David Girard Pugh, directed by Barbara Colaciello-Williams with original score by Jeremiah Brown, this is truly an outstanding performance not to be missed. Learn more about Al Letson's work at www.alletson.com.

Dare to Dream...

Great thinkers, inventors, and leaders have used their dreams for inspiration, insight and guidance. The founder of Monster.com, the inventor of the sewing machine, and the man who discovered the benzene ring found life changing ideas from a simple night of sleep. In this program, Greg Hoeflicker will explore how they did it and how you can access the same level of thinking required to use your dreams. Greg will also be answering questions about dreams you have had. He has spent 15 years interpreting, studying, teaching and speaking about dreams and will help you to unravel the "seemingly hidden" messages from your dreams. Visit www.dreamprograms.com for more information.

Joe Rohan

Cleveland-based singer/songwriter Joe Rohan is an intense storyteller that combines infectious grooves, soulful melodies, and bluesy guitars that serve as the backdrop for the heartfelt stories he tells. Rohan's voice is strong and smooth, with just the right amount of grit to deliver his own slice of America. Rohan's latest CD, *These Days*, shows versatility by balancing fiery rockers with tender ballads. The follow up to 2003's *Walk Along* contains songs that showcase a storytelling ability from the perspective of an artist who has been touring nationally for two straight years. Rohan won honors as Best Roots/Folk Artist in the Cleveland Free Times Music Awards in 2004 and 2005. In addition to performing as a headliner in many venues nationwide, he has also opened for national artists such as James Taylor and Dave Matthews. Campus Voice

The Campus Voice is Florida Community College's student newspaper...planned by students, written by students, edited by students and designed by students.

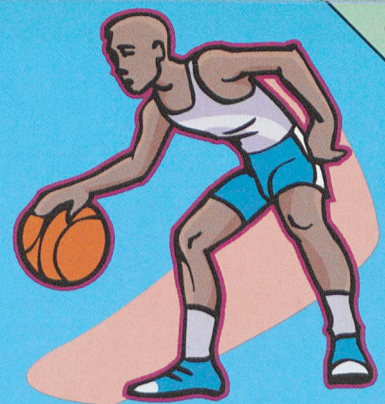

How can you get involved? Write us a letter. Want to air your opinion? Send a letter to the editor; maybe you'll see it printed on the editorial page. Want to be more involved than that? Volunteer to write an article, cover a game, take pictures, draw a cartoon, or design a page. No experience is needed because we'll help you over the rough spots. All it takes is a word from you. Or better yet, compete for a job. The jobs range from editor to office manager. For most of them you'll need either a journalism course or newspaper experience. The pay ranges from scholarships to weekly wages and it's great experience!

Call the newsroom at 633-8283 or the adviser, Marcia Mattson, at 361-6216, or drop by TCV newsroom at Downtown Campus, Room C-109. Can't make it by? Write the Campus Voice at 101 W. State Street, Jacksonville, FL. 32202. Or see the newspaper online at www.the-campus-voice.com or e-mail campusvoice@students.fccj.org.

Everything you wanted to know about Graduation, but didn't know who to ask...

Let's start with a few definitions ...

Graduation: the completion of all requirements necessary for your academic program.

Commencement: the formal ceremony at which degrees or certificates are conferred, held at the end of spring term.

Honors: graduating with an all-college cumulative grade point average (GPA) of 3.5-3.74.

High Honors: graduating with an all-college cumulative GPA of 3.75 or higher. Since the commencement program is printed before spring term grades are recorded, honor graduates are identified based on their GPA at

the beginning of spring term.

Rehearsal: forget it; we don't have one!

Now the basic facts ...

When: College Credit Commencement and Adult High School/GED Graduation are May 5. Information about when to report for the ceremonies and how to confirm your attendance will be mailed to graduates' homes in early April.

Where: Jacksonville Veterans Memorial Arena

Who: anyone may participate who has graduated at the end of Summer Term '06, Fall Term '06 or Spring Term '07.

Caps and Gowns: available for purchase in your campus bookstore in April.

Graduation Announcements: available from the campus bookstore in March. Neither

announcements nor tickets are required for admission to the arena. Your family and friends are welcome to attend the ceremony.

Graduation Photos: official photographers will take your picture as you cross the stage and a proof will be mailed to you. Photo purchase information will be included with the proof if you wish to buy copies.

Questions?: for questions regarding applying for graduation and approval for graduation, contact student records ...

Tango Dancers of Bahia Blanca

Sergio and Adriana Katz, lead dancers for the Tango Dancers of Bahia Blanca, Argentina, have been tango dancing professionally for more than fifteen years, debuting in the dance concert "Nora Roca, Bahitango 90" at the Municipal Theatre of Bahia Blanca, Argentina, in 1990. Since then they have traveled internationally designed tango classes for all ages, from kindergarteners to primary and secondary schools and college and community groups. Their performance is both fun and educational and they give a little bit of history, in both Spanish and English, with each dance number. Also, be prepared to join in the fun!

April 2, 1:30pm, NC Aud.; April 3, Noon, SC Outside Cafe; April 4, 11am, KC G-Stage; and April 5, Noon, DC Café.
