WELCOME TO STUDENT LIFE

Student Life Centers

The Student Life and Leadership department is your starting point for getting connected with student organizations, clubs, volunteerism, and recreational events. Student Life also provides students with opportunities to develop leadership skills

through the "Leadership 'n' Life" series and gain valuable experience in civic engagement through service learning, learning communities and volunteerism activities. Additionally, many of the programs cover topics and issues that may satisfy Communications or Humanities assignments. Each of the centers features group study areas, comfortable furniture, meeting rooms, table tennis, billiards, television, table games, and bus schedules.

They are also your starting point for getting involved on campus through student government, activities and events, clubs and organizations, recreation and intramurals! Do you have a talent? Opportunities exist in drama, Brain Bowl, intramural and recreational tournaments, mathematics, music, photography and student leadership, as well as a number of intercollegiate athletic teams. Contact any campus Student Life office for more information: Deerwood Center, Carol Gladstone, Room C-2328, (904) 997-2706; Downtown Campus, Clashous Witherspoon, Room C-101, (904) 633-8210; Kent Campus, Kelly Warren, Room G-149, (904) 381-3674; North Campus, Kerry Roth, Room E-235, (904) 766-6786; and South Campus, Walter Fitzpatrick, Room U-205, (904) 646-2272.

Student Government Association

Florida Community College's Student Government Association (SGA) is the official voice of the student body and the connection between students, faculty and College administration. Members sit on various Collegewide committees, such as the student appeals committee, the curriculum committee and campus presidents' governance councils. SGA members also have the opportunity to travel to district and state meetings, leadership retreats and conferences, gaining leadership development and life skills. Represented on each campus, SGA holds elections for vice president, senator and representatives during the fall term, and for president and an additional senator and representatives during the spring term. Tuition talent grants are often available for eligible students. Help make a difference on your campus! Contact any campus SGA listed below or your Student Life office for more information.

Clubs and Organizations

Get involved! Florida Community College is home to a variety of intercollegiate social, academic, service and occupational organizations. Each campus has its own special blend of clubs with several reaching all campuses. Check the list, contact the appropriate advisor and find out how you can get involved! Don't see an organization you may be interested in? Start your own! Chartering an organization can be as simple as obtaining a list of at least seven interested students and a faculty/staff advisor. Student Life offers a "Starter Kit" to help you get your club up and running.

Amanda Garrigues

A Gainesville, Florida, native with two CDs under her belt and a slew of nationwide awards on the indie circuit, Amanda Garrigues is one of those rare artists who speaks to you in a voice that gives compassion and registers pain. Whether you are listening to Amanda from the comfort of your couch, the back of a smoke-filled club, or a table in the student center, you know immediately that you are the recipient of a gift.

Sept 4, 11:30am, NC E-235; Sept 5, 11am, KC G-Stage; and Sept 6, Noon, SC Café.

Speech and Debate/Forensics

Interested in public speaking competition? Audition for the FCCJ Forensics team! The team competes against other community colleges in categories including debate, impromptu speaking, persuasive speaking, informative speaking, oral interpretation, entertainment speaking, extemporaneous speaking and readers' theatre. Fall term auditions are Friday, August 31, 9am-11am, Downtown Campus; Tuesday, September 4, 9am-10:30am, North Campus; Wednesday, September 5, 9am-11am, Kent Campus; and Thursday, September 6, 10:30am-Noon and 4pm-6pm, South Campus. You may audition at any campus location. Contact Kristopher Copeland at (904) 646-2338 or kcopelan@fccj.edu or visit the Forensics team website at www1.fccj.edu/kcopelan.

Friction Farm

Friction Farm is Aidan Quinn on guitar and vocals and Christine Stay on vocals and bass. After releasing two successful CD's as a band in the late 90's, the duo returned to songwriting and found new confidence in performing as a duo. And that's where the songs really began to shine. Audiences could understand the lyrics, Christine developed more character to her lead vocals, and Aidan, always skilled at harmonies, could be heard. The music grew more intricate, showcasing Aidan's guitar picking ability. Since then, they've released a live CD that's received quite a bit of public radio play, and the Florida folk community has been very welcoming, which has led to more opportunity. New songs are flowing fast. Life is good...come see for yourself.

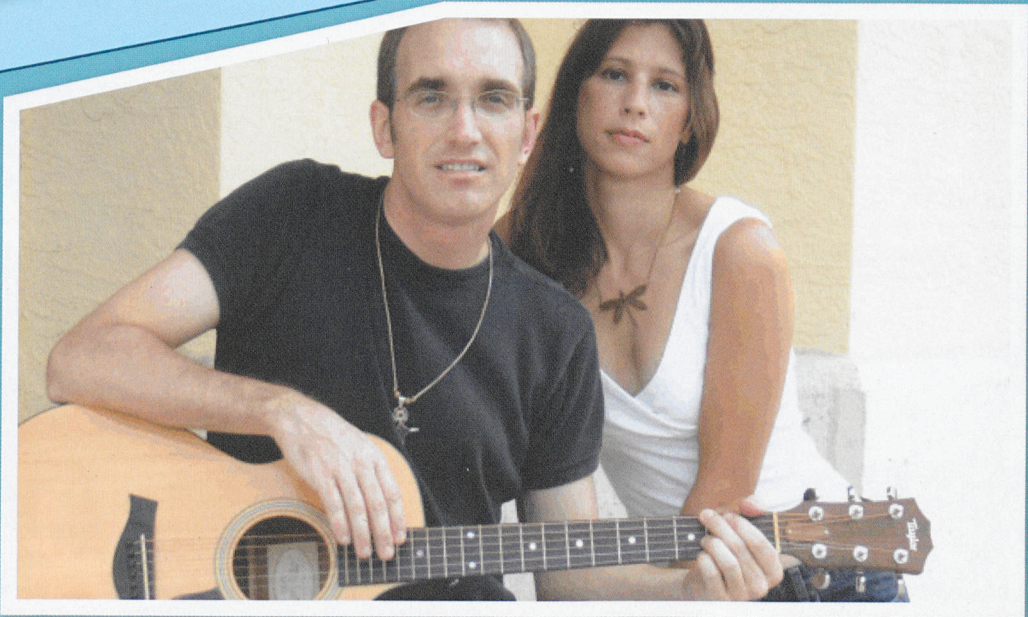

Sept 25, 11:30am, NC Courtyard; Sept 26, 11am, KC G-Stage; and Sept 27, 11:30am, SC Café.

Tracy Silverman

Recording artist/composer Tracy Silverman has performed, recorded and toured with a who's who of the new music, jazz and pop/rock fields and is known internationally as one of the world's foremost electric violinists. Equally at home in concert halls and clubs, he has performed everywhere from Carnegie Hall to the Hollywood Bowl to Brazil's Teatro Guaira, and on national television and radio. Pulitzer Prize-winning composer John Adams recently wrote the electric violin concerto "The Dharma at Big Sur" specifically for Tracy, inspired by his unique 6-string electric violin. Tracy premiered the piece at the gala opening of the Los Angeles Philharmonic's new Walt Disney Concert Hall in 2003 and has since performed it at London's Royal Albert Hall and Avery Fisher Hall in Lincoln Center among others and has recorded it with the BBC Symphony. Hearing Tracy is truly a unique opportunity not to be missed. Visit www.TracySilverman.com for more information.

Millicent St. Claire

As an accelerated learning expert and one of the top-ten certified PhotoReading instructors in the world, Millicent St. Claire trains executives, managers, professionals, educators, and students to use whole mind learning methods and techniques to unlock their own potential. Her "Leadership Beyond Brilliance" workshop, the kickoff to the fall Leadership 'n' Life series, introduces future leaders to a three-step process for moving--and leading--beyond brilliance! You'll learn to harness the power of the WHOLE BRAIN to expand your thinking, collaborate with others, and model leadership through your actions. You'll understand how to maximize your own potential and activate the human potential of others. Millicent shares a practical way to apply the principles of accelerated learning, expanded consciousness and purposeful living to our future leaders.

Goliath Flores

Born in Los Angeles, Goliath Flores has been playing music virtually all his life. In addition to singing and playing classical guitar with a Flamenco feel, he is also a drummer and pianist and plays an Armenia instrument called the duduk. In his words: "Music is no more in the instrument than the wind is in the trees. My musical travels erased the fictitious borders on maps and showed me that music is felt and understood in any language. Music made me ask myself 'Where does the land where you were born begin, and the land where I was born end?'" Keenly interested in human rights and always learning something new, Goliath plays in venues ranging from large scale theaters to hospital bedsides.

Oct 8, 11am, KC G-Stage; Oct 9, 11:30am, NC E-235; Oct 10, Noon, SC Outside Stage; and Oct 11, Noon, DC Café.

Mauricio Garcia

A native of El Salvador, Mauricio Garcia has a story to tell and he tells it well in his program "Find your Purpose, Live your Passion", part of our Leadership 'n' Life series. Do you ever wonder what it would be like to get paid to do what you love to do for a living, so it doesn't feel like a "job"? Well, that does not just magically happen! Through Mauricio's story, you'll learn to pay attention to your future by paying attention to your life, understand what it takes to truly learn about yourself, and use that information to find what you are truly passionate about. Through personal examples and life lessons, Mauricio Garcia provides insight into how to find that which truly represents your purpose in life. He's found his.

Combining nearly two decades of media experience and eleven years of image consulting, Joyce Morgan Danford uses her media experience to help prepare clients for television and other appearances. With a passion for image, the media, and public speaking, becoming an entrepreneur was a natural extension of her time in front of the camera. As part of our Leadership 'n' Life series, Danford's "IMAGE: I Must Achieve Greatness Everyday" program concentrates on the importance of making the best first impression, but also turning that image into one that carries you through your day to day life, teaching you to exhibit your best day, as "we're always on stage".

Transfer College Fair

Florida Community College will host its fourth annual Transfer College Fair (TCF) this month. More than two dozen college and university representatives will be on hand to answer questions and provide information about transfer opportunities, majors, financial aid and other topics. You'll be able to make connections with college reps without having to travel to the institutions! If you're just beginning the process of planning for a bachelor's degree, the Transfer College Fair will give you an opportunity to conveniently learn about many institutions all at once while those of you who have already selected or even applied to an institution will be able to ask last-minute questions about issues such as the transfer admissions process. Don't miss this opportunity!

Campus Voice

The Campus Voice is Florida Community College’s student newspaper...planned by students, written by students, edited by students and designed by students.

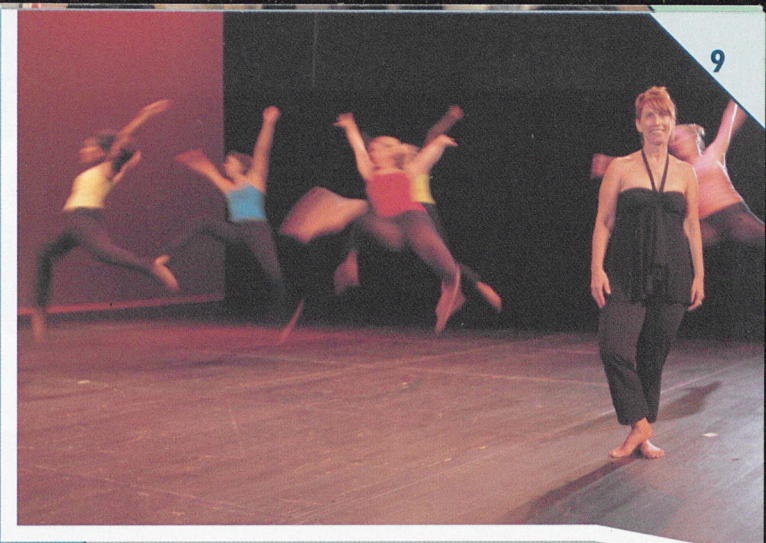

How can you get involved? Write us a letter. Want to air your opinion? Send a letter to the editor; maybe you'll see it printed on the editorial page. Want to be more involved than that? Volunteer to write an article, cover a game, take pictures, draw a cartoon, or design a page. No experience is needed because we'll help you over the rough spots. All it takes is a word from you. Or better yet, compete for a job. The jobs range from editor to office manager. For most of them you'll need either a journalism course or newspaper experience. The pay ranges from scholarships to weekly wages and its great experience!

Call the newsroom at 633-8283 or the adviser, Marcia Mattson, at 361-6216, or drop by TCV newsroom at Downtown Campus, Room C-109. Can't make it by? Write the Campus Voice at 101 W. State Street, Jacksonville, FL. 32202. Or see the newspaper online at [www.the-campus-voice.com](http://www.the-campus-voice.com) or e-mail [campusvoice@students.fcj.org](mailto:campusvoice@students.fcj.org).

Performing Groups

Students with musical or dramatic talent might enjoy participating in one of Florida Community College's performing groups. The Chorale, Jazz Ensemble and Symphonic Band perform locally and throughout the Southeast, and the Jubilee Singers perform gospel music for area events. Students from any campus may participate in the many aspects of theatrical production as well. College-wide productions are full scale and allow participation for actors and stage hands in a community theater setting.
